Music Lessons, Instruments & Rentals

January 2020

January 2020

New Year, New Programs!

**Celebrating Student Achievement with the Musical Ladder System!**  
Performing Arts Music is the only music school in Western New York to give their students the opportunity to earn special color wristband bracelets, trophies and certificates for lesson milestones with the Musical Ladder System! This system helps encourage students to practice more, makes parents proud, teachers proud, and everybody wins!

In addition to wristbands, students also receive trophies and certificates for certain milestones.

**Ask your teacher about the Musical Ladder System®**
