## Welcome!

Here are our newly enrolled students for the month of January!

> Lauren A. Miranda A. Bryn B. Griffen G. Sophia K. Alix O. August T.

## **Group Make Up Lessons**

Instead of a half hour lesson, you will get an hour to work with an instructor and other students. This will help you get the perspective of another instructor and also show other students what they've been working on. Each group lesson has 5 spots so please email or call to reserve your spot. Doing a group lesson will guarantee you get your makeup in before it expires!

## New Referral Program

One of the ways that Performing Arts Music is able to grow is by enrolling great students like you!

Please consider referring your friends or family members to Performing Arts.

Starting January 2020 for every student you recommend to Performing Arts, you will receive a \$25 gift card. In order to get a gift card the student you recommended needs to enroll in lessons. You may choose to get a gift card for Amazon, Target, Regal or Apple!

We would like welcome Kate and Alessia to our Performing Arts team! Kate will be teaching voice and Alessia will be teaching voice and piano. We are so excited to have them!
