

Spring Online Virtual Recital 2020

Many of our instructors have expressed that our students are progressing and doing very well with online lessons! Since we cannot do a spring recital in person this year, we are doing an online virtual recital. Students, instructors, and parents are invited to join!

Please feel free to send in a video to us of you or your child performing something they have been working on. Videos can be any length and you can submit more than one video! Please have the performer say their name and what they will be performing in the video.

Videos will be posted on our Youtube channel under our Virtual Recital playlist, as well our social media.

Moana Jr Summer Camp!

As of now our camp is still on!

Our May 1st Audition has been moved to June 5th.

Please watch our social media for more updates about camp.

We are still taking names and audition dates for any kids interested!
